

CITY OF SANTA BARBARA

COUNCIL AGENDA REPORT

AGENDA DATE: July 1, 2008

TO: Mayor and Councilmembers

FROM: Administration, Parks and Recreation Department

SUBJECT: Records Destruction For Parks And Recreation Department

RECOMMENDATION:

That Council adopt, by reading of title only, A Resolution of the Council of the City of Santa Barbara Relating to the Destruction of Records Held by the Parks and Recreation Department in the Administration Division and in the Active Adults, Adapted Recreation, Aquatics, Adult Sports, Community Services, Cultural Arts, Facilities and Program Registration, Teen Programs, and Tennis Services Sections of the Recreation Division.

DISCUSSION:

The City Council adopted Resolution No. 07-066 on July 24, 2007, approving the City of Santa Barbara Records Management Policies and Procedures Manual. The Manual contains the records retention and disposition schedules for all City departments. The schedules are a comprehensive listing of records created or maintained by the City, the length of time each record should be retained, and the legal retention authority. If no legal retention authority is cited, the retention period is based on standard records management practice.

Pursuant to the Manual, the Parks and Recreation Director submitted a request for records destruction to the City Clerk Services Manager to obtain written consent from the City Attorney. The City Clerk Services Manager agreed that the list of records proposed for destruction conformed to the retention and disposition schedules. The City Attorney has consented in writing to the destruction of the proposed records.

The Parks and Recreation Director requests the City Council to approve the destruction of the Parks and Recreation Department records in the Administration Division and the Adapted Recreation, Aquatics, Adult Sports, Community Services, Cultural Arts, Facilities and Program Registration, Active Adults, Teen Programs, Tennis Services, and Youth Programs Sections of the Recreation Division listed on Exhibit A of the resolution without retaining a copy.

SUSTAINABILITY IMPACT:

Under the City's Sustainable Santa Barbara Program, one of the City's goals is to increase recycling efforts and divert waste from landfills. The Citywide Records Management Program outlines that records approved for destruction be recycled, reducing paper waste.
